With reference to his Official Memorandum No Pet/1094 dated 5th January 1894, forwarding petition No 1917 dated 5th January 94, received at the Dewan's Office from Mallia and others of the Tarikere Taluk, complaining of the hardship caused to petitioners by the Chickmagalore Mu-

Municipality in prohibiting the traders in betel leaves leaving their carts near Dantarmakki village, which is close to Chickmagalore, has the honor to submit herewith the report No 224 of the 1st April 1894 from the General Assistant Commissioner Kadur District, with its enclosure, reporting that the practice complained of has long since been discontinued and suggesting that sanction of Government may be obtained for including Dantarmakki within the limits of the Chickmagalore Municipality.

As regards the above suggestion

suggestion made by the General Assistant Commissioner, the Undersigned regrets that he cannot recommend such a step to the favourable orders of Government, as the resulting increase of revenue, which is slight, will not be sufficient to meet the cost of the necessary extra-establishment.

Sir

In returning ~~his~~ your Official Memo No 265 dated 25th January 94 giving covers to Dewan's Office Official Memo No. 44 Pet/1094 dated 5th January 94 together with the enclosure received therewith I have the honor to state that the practice of the petitioners bringing their loaded carts of betel-leaf bundles within the ~~limits~~ Municipal limits, for purposes of trade was kept up, for some months to prevent smuggling which was, alleged to prevail through the help of some petty traders in Dautramakki and other adjoining villages. This

13.4.94.

This arrangement was not objected to by the petitioners till the 3rd January 94 when they appeared before me and complained that they were put to inconvenience. I promised to attend to their grievances and make suitable arrangement for the next Santay on 10. 1. 94 In the mean time they presented the petition to the Dewan in Chikmaglur. As this arrangement did not meet with the approval of the Dewan the practice was at once discontinued and a Municipal servant was directed to go to Dantramakki every Sandy day to prevent smuggling with the cooperation of the Patel of the village.

I have enclosed a comparative Statement of Octroi duty levied from betel-leaf for 8 weeks before and 8 weeks after the practice was discontinued. ~~Here~~ There has been a slight but not any marked fall in the income under that head.

The arrangement of having an Octroi Outpost on Santay days in in Dantramakki and securing the cooperation of the village servants here might prevent smuggling. If however there is a sensible decrease under the head in the future I beg to state that Government sanction will have to be solicited for including Dantra-makki within Municipal limits on this as well as Sanitary grounds as the insanitary condition of the village is a source of grave danger to Chikmaglur when any epidemic breaks out.
